IMAGO CLINICAL TRAINING

2018 SCHEDULE
(Friday–Sunday)
January 19 - 21
February 23 - 25
March 23 - 25
April 27 - 29

9 AM to 5 PM

in New York City -

Presented by Herb Tannenbaum, Ph.D.*

Improve your skills in working with couples using Imago—a clinically proven and successful method.

- Develop a niche working with couples
- Learn about the concept of the Imago and the role it plays in partner selection
- Explore stages of childhood development and wounding and how they affect our primary relationships
- Learn how to help couples move from ineffective communicating to deep dialogue
- Learn how to help couples resolve their ongoing conflicts
- Learn how to help couples restore their connection and heal

96 CEs
$3,000
This course is recognized by Imago and APA.

Imago Clinical Training includes 12 days of clinical instruction—a required step in the Imago certification process.

The training format is a powerful combination of theory, demonstration, and experiential practice and supervision. Learning occurs in a safe, supportive, and encouraging environment. Each session is separated by a month to allow practice and integration of the material.
